65															

CONCLUSION:

- 1) Starting at age 25, ObamaCare premiums go up every year based upon age.
- 2) ObamaCare premium schedules are also adjusted annually. Generally they go up.
- 3) Those with higher "household income" (above \$46,000) and age 60 or higher would be paying over 25% of their income for healthcare premiums.
- 4) The general premium increase between 2014 and 2015 ranged from a 2% drop to a 10% increase. Only Kaiser lowered their rates for 2015. Blue Cross raised their rates about 10%.

2014 ObamaCare Monthly Premiums for Ages 20 to 64
